Kuala Lumpur, 25 July 2023 – CapitaLand Malaysia REIT Management Sdn. Bhd. (CMRM), the manager of CapitaLand Malaysia Trust (CLMT), announced today a net property income of RM56.8 million for the quarter ended 30 June 2023 (2Q 2023). This is 51.8% higher than the RM37.4 million for the same period last year. The positive financial performance was largely due to the first full quarter contribution from the newly acquired Queensbay Mall and higher rental income from the majority of CLMT's retail properties.

Distributable income for 2Q 2023 rose 32.7% year-on-year to RM28.6 million and distribution per unit (DPU) of 1.06 sen for the quarter was 6.0% higher than the same period last year. As CLMT's DPU is paid out on a half yearly basis, Unitholders will receive a total DPU of 1.19 sen for the period from 10 March 2023¹ to 30 June 2023, payable by September 2023.

The Board of CMRM has elected to apply the Distribution Reinvestment Plan to the income distribution for 1H 2023. The dates of book closure and income distribution will be announced upon obtaining the necessary regulatory approvals.

On 20 June 2023, CLMT MTN Berhad, a wholly owned subsidiary of CLMT, issued RM300.0 million Unrated Medium Term Notes (MTN) – its fourth issuance under its MTN programme of

up to RM3.0 billion. The proceeds from this issuance has been used to redeem an outstanding RM300.0 million 3.5-year Unrated MTN.

Mr Lui Chong Chee, Chairman of CMRM, said: “CLMT’s strong performance in 2Q 2023 reflected the continued recovery of Malaysia’s retail sector boosted by strong festive spending. While domestic demand is expected to anchor Malaysia’s economic growth for the remaining of 2023, we remain cognisant of the uncertainties in the global economy and the impact of price inflation on consumer sentiments. We will continue to reinforce our asset and lease management efforts to strengthen CLMT’s portfolio and proactively implement measures to mitigate the impact of rising costs.”

Mr Tan Choon Siang, CEO of CMRM, said: “We are pleased to deliver a positive set of results for 2Q 2023, boosted by income contribution from Queensbay Mall and Valdor Logistics Hub, despite higher property operating expenses and financing costs. CLMT’s portfolio continued to demonstrate resilience with a strong occupancy of 88.0% and positive rental reversion of 4.7%. Tenant sales per square foot in 2Q 2023 also grew 4.8% year-on-year, while shopper traffic on same-store basis was up 25.8% year-on-year.”

“On the portfolio front, we have recently announced the acquisition of a freehold logistics warehouse located at the Hicom-Glenmarie Industrial Park in Shah Alam during the quarter. The acquisition is expected to be completed in 2H 2023. Post-completion, CLMT will be embarking on a convert-to-suit exercise to transform the logistics warehouse into a temperature-controlled distribution centre and the property will be leased to a fashion retailer for ten years. Future contribution from this acquisition is expected to contribute to CLMT’s steady financial performance.”

“Continuing our journey to enhance our portfolio’s attractiveness, new and exciting food and beverage (F&B) concepts were introduced at Gurney Plaza, East Coast Mall and Sungei Wang Plaza to refresh the tenant mix and elevate the overall retail experience. Our efforts to create value continues with the planned asset enhancement initiative at 3 Damansara to optimise about 14,000 square feet of space at the lower ground floor which is expected to be completed by end 2023, injecting more quality F&B offerings. We remain proactive in our portfolio and asset management and continually evaluate opportunities to grow and enhance CLMT’s portfolio,” added Mr Tan.
