## **CAPITALAND MALAYSIA TRUST (FORMERLY KNOWN AS CAPITALAND MALAYSIA MALL TRUST) FOR THE FOURTH QUARTER ENDED 31 DECEMBER 2021 (UNAUDITED)**

### **B1. Review of Performance (cont'd)**

#### **Quarter Results (4Q 2021 vs 4Q 2020)**

The Group recorded gross revenue of RM66.1 million in 4Q 2021, a decrease of RM0.9 million or 1.3% against 4Q 2020. Gross rental income and carpark income have improved from 4Q 2020 since most of the states have rolled into Phase 4 of the National Recovery Plan where most economic sectors have re-opened and businesses resumed its operations under the new normal. The decrease in gross revenue was mainly attributable to higher other income received in 4Q 2020 related to pre-termination of tenancies.

Property operating expenses for 4Q 2021 were RM32.8 million, a decrease of RM0.1 million or 0.2% against 4Q 2020 mainly due to efforts to contain the various costs despite the transition into a recovery phase .

The net property income (NPI) for 4Q 2021 of RM33.2 million was RM0.8 million or 2.4% lower than 4Q 2020.

As mentioned in A10, fair value losses of RM 76.4 million was recognised during the quarter upon the revaluation of the investment properties and the loss is attributable mainly to the Klang Valley malls. The deferred tax liabilities previously recognised on investment properties were adjusted to reflect the lower tax liabilities on Real Property Gain Tax (RPGT).

Other non-operating income of RM1.6 million is due to scheduled compensation income received as a result of the termination of existing easement agreement in relation to the car park area between Sungei Wang Plaza (SWP) and Bukit Bintang Plaza and the restriction of access to the SWP rooftop car park.

Finance costs for 4Q 2021 of RM11.8 million were RM1.9 million or 14.1% lower than 4Q 2020. The savings was contributed mainly by the interest rate re-fixing exercises in March 2021 and December 2021, which successfully lowered the average cost of debt to 3.22% p.a. (4Q 2020: 3.82% p.a.).

Overall, distributable income to Unitholders for 4Q 2021 was RM17.7 million, a decrease of RM0.2 million or 0.9% against 4Q 2020 mainly due to the abovementioned factors.

#### **Financial Year-to-date Results (FY 2021 vs FY 2020)**

The Group recorded gross revenue of RM224.1 million, a decrease of RM37.3 million or 14.3% against the previous financial year. The decrease was mainly due to lower gross rental income, lower car park income, lower recovery of utilities and lower marcom income. Whilst 4Q 2021 has showed signs of rebound from the COVID-19 pandemic, the longer lockdown period in FY 2021 as compared to the previous year has affected the full year revenue.

Property operating expenses for FY 2021 were RM121.0 million, a decrease of RM6.9 million or 5.4% against the previous financial year due to lower utilities and marketing expenses. Utilities consumption was lower due to the various lockdown and 10% electricity discount received for the 12 months in FY 2021 as opposed to only 6 months in FY 2020. Marketing expenses were lower due to lower level of mall activities and cost containment effort.

The NPI for FY 2021 of RM103.1 million was RM30.4 million or 22.7% lower than FY 2020.

Other non-operating income of RM3.3 million was due to scheduled compensation income received as a result of the termination of the existing easement agreement in relation to the car park area between Sungei Wang Plaza (SWP) and Bukit Bintang Plaza and the restriction of access to the SWP rooftop car park.

Fair value losses of RM 76.4 million was recognised during the financial year upon the revaluation of investment properties and the loss is attributable to the Klang Valley malls. The deferred tax liabilities previously recognised on investment properties were adjusted to reflect the lower tax liabilities on RPGT.

Finance costs for FY 2021 of RM48.1 million were RM10.4 million or 17.7% lower than FY 2020. The decrease was mainly due to lower average cost of debt for FY 2021 at 3.34% p.a. (FY 2020: 4.09% p.a.) due to efforts to refix the interest rates for term loans during the financial year.

**B1. Review of Performance (cont'd)**

**Financial Year-to-date Results (FY 2021 vs FY 2020) (cont'd)**

Overall, distributable income to Unitholders for the financial year under review was RM39.0 million, a decrease of RM 22.8 million or 36.9% against the previous year due to the abovementioned factors.

**B2. Material Changes in Quarter Results**

	QUARTER ENDED 31 DECEMBER 2021 (UNAUDITED) RM'000	QUARTER ENDED 30 SEPTEMBER 2021 (UNAUDITED) RM'000	Change  %
(Loss) / Profit before taxation	(57,879)	2,822	(>100.0)
Adjusted for: Fair value losses on investment properties (net)	76,389	-	-
<b>Profit before taxation, excluding net fair value losses on investment properties</b>	<b>18,510</b>	<b>2,822</b>	<b>&gt;100.0</b>

The higher quarter on quarter profit before tax was due mainly to higher gross rental income, carpark revenue and other revenue. These were partially off-setted by higher marketing and utilities expenses due to the increase in mall activities in 4Q 2021.

**B3. Investment Objectives and Strategies**

On 14 June 2021, an Extraordinary General Meeting (EGM) was held and the Unitholders have voted in favour of the expansion of investment objective and policy of CLMT. Pursuant to the Fifth Amended and Restated Deed (Trust Deed), CLMT's investment objective and policy is to invest, on a long-term basis, in a portfolio of income producing real estate as deemed fit by the Manager, that are used for retail, commercial, office and industrial purposes or such other non-real estate investments, as may be permitted under the Trust Deed and the REITs Guidelines or by the Securities Commission of Malaysia (SC), with a view to providing Unitholders with long-term and sustainable distributions of income and potential capital growth.

**B4. Commentary on Prospects**

Malaysia's economy declined by 4.5% on a year-on-year basis in 3Q 2021, reversing from the growth of 16.1% recorded in the previous quarter, due to the reimposition of stricter nationwide containment measures. With the progressive easing of containment measures from 4Q 2021 which is expected to aid the resumption of economic activities, Bank Negara Malaysia has maintained its 2021 full-year growth forecast of 3.0% to 4.0%.

In 4Q 2021, shopper traffic and tenant sales for CLMT's portfolio continued to show improvements. This was supported by the resumption of dine-in services for fully vaccinated individuals and the malls' various marketing activities. Gurney Plaza and East Coast Mall, which are popular with local tourists, have also benefited from the resumption of domestic travel activities.

Despite Malaysia's inoculation progress, the Manager expects the operating environment for the retail sector to remain challenging, given the current market conditions and ongoing global uncertainties arising from the pandemic. The Manager will continue to work closely with tenants and stakeholders in navigating the pandemic challenges. CLMT's focus remains to maintain a healthy portfolio occupancy and sustainable rental income, whilst pursuing inorganic growth opportunities in its existing and new asset classes, with financial discipline.

FOR THE FOURTH QUARTER ENDED 31 DECEMBER 2021 (UNAUDITED)**

**B5. Profit Guarantee**

CLMT is not involved in any arrangement whereby it provides profit guarantee.

**B6. Tax Expense**

Pursuant to the amendment of Section 61A of the Income Tax Act, 1967, effective from the Year of Assessment 2007, the total income of a REIT for a year of assessment will be exempted from income tax provided that the REIT distributes 90% or more of its total income for that year of assessment. If the REIT is unable to meet the 90% distribution criterion, the entire taxable income of the REIT for the year would be subject to income tax.

As CLMT intends to distribute at least 90% of its distributable income for the financial year ended 31 December 2021 to its Unitholders, no provision for tax has been made for the current quarter.

**B7. Status of Corporate Proposals**

Pursuant to the favorable outcome of the EGM held on 14 June 2021 (outlined in Note B3), the Fifth Amended and Restated Deed between CapitaLand Malaysia REIT Management Sdn. Bhd (formerly known as CapitaLand Malaysia Mall REIT Management Sdn. Bhd.) and MTrustee Berhad was registered with SC on 20 September 2021.

Subsequent to the registration, CapitaLand Malaysia Mall Trust (CMMT) was renamed as CapitaLand Malaysia Trust (CLMT) and the stock short name was changed to CLMT effective 20 September 2021 and 27 September 2021 respectively.
